DATE MAILED:

**Please find below and/or attached an Office communication concerning this application or proceeding.**

## Commissioner for Patents

The reply filed on October 2, 2003 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicants' response to the rejection of claim 11, set forth within paragraph 1 of the Office action, fails to be commensurate with the amendment to claim 11. Despite applicants' remarks, the language, "suitable solvent", remains within line 2 of claim 11. It remains unclear with respect to what conditions must be satisfied in order for the solvent to be suitable. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**

Any inquiry concerning this communication should be directed to Rabon Sergeant at telephone number (571) 272-1079.
